AAWS GUIDELINES FOR NEWSLETTERS:

“Newsletters or bulletins published by central offices may include not only office news and events, but similar information about the groups and committees served by these offices (such as meeting times, openings of new groups, or changes of group meeting locations or officers). Frequently, material from A.A. literature is reprinted and discussed, and articles on subjects of interest to A.A.s are also published. Experience indicates that, as in most A.A. service activities, it is prudent to make a committee (rather than one or two individuals) responsible for the format, planning and content of the bulletin.”

A MESSAGE FROM THE EDITOR:

I just needed to take a minute to apologize to the fellowship for my procrastination and failure to publish the monthly newsletter in a timely manner during these recent months. Not to excuse it, but the pandemic has caused many schedule and employment changes in our household, as I'm sure it has with many others. It has been difficult for me to focus on my responsibilities with this commitment and I apologize to the fellowship for not staying current.

I have done my best to include the recent month's financial reports and meeting minutes to current. I have published what I currently have available to me. If there are items missing that you wish to see, please email me at newsletter@sonomacountyaa.org and I will do my best to get that information or report to you.

The website is being updated with events and news, so check it frequently at sonomacountyaa.org.

Thank you all for your patience and understanding. -Ryan L.

GENERAL SERVICE NEWSLETTER:

DCMC Corner
By Claudia N

Well, here we are at the end of Panel 69. The past 2 years have been filled with so many surprises and I have been struck by the work of this fellowship to find new and different ways to continue to reach the alcoholic who still suffers. These "general services" are the life blood of Alcoholics Anonymous and each and every one of you have stepped up, stepped forward and I am so proud to be a part of this fellowship and this District!

I have been a witness to a fellowship that has grown up around me and all of us. When the fires broke out in Paradise and Butte County in late 2018, in the beginning of 2019 Sonoma County stepped up, bringing hundreds of books and chips and grapevines to our members in need, through drop off centers and a willingness to help where needed. This has been the case even in the most recent fires down south and up north. We truly have proven we are stronger together than we are apart.

In February of 2019 we were able to celebrate our 40th anniversary of putting on the Agenda Topics Workshop, which educates our GSR's and primes them and many others for what's about to come; our agenda topics, the sharing sessions, and our Pre-Conference Assembly. In 2019 District 12 hosted the Pre-Conference Assembly, the Mental Health in Sobriety Workshop and the Delegates BBQ all in the 1st year! You have shown so many what "love of service" really is. We learned to love the phrase coined by our Delegate "GS-Stars", went to PRAASA in Irvine with many members from our area and funded a GSR to the Bridging the Gap Workshop Weekend in Sacramento. We ended the year with Inventory both District and Area. In the 1st part of 2020 started off as we normally do, with another Agenda Topics Workshop, PRAASA scholarships and the excitement of a trip to Arizona for the scholarship winners and then the Pandemic hit. Little did we know that was the last "gathering together" we would be able to do. What came next was simply amazing, but not surprising for Alcoholics Anonymous. You all stepped up after the realization came this wouldn't be over in 2-3 weeks. Zoom meetings were started, information shared across service entities, across districts and areas. Calendars were adjusted, meetings rearranged, outdoor meetings, sub district meetings, committee meetings at all levels figured out. Virtual events started popping up. Our 1st Delegated BBQ Virtually was a hit! A virtual Unity Day that brought down the house! Finding ways to contribute digitally, opening the door to so much more always focusing on how to reach the still suffering alcoholic was on the minds of everyone!

Our services are all so valuable where ever they take place whether it's in a sub district, sharing one on one with a GSR, or through committees such as BTG, PI/CPC & Access Sonoma County. It is done through education of our Literature, or through the Grapevine sharing our international magazine. We do it by sharing our beloved history through Archives, or making sure we are all heard through our I & T committee. We do service by keeping track of our groups, our finances or our minutes to remind us of our progress...all of these services are important and valuable. We need people to continue to connect us as a whole through our liaisons, and continue to remind us we are in this thing together! Self-sacrifice and love of service has been and continues to be apparent everywhere!

As Bill stated in Concept 1 "under all conditions and at any sacrifice, we would have to sustain these services and the flow of life blood they were pumping into the world arteries of our fellowship". I am sure that Panel 71 will do just that and more! Thank you for sustaining my life and giving me so much to be grateful for. It has been an honor and a pleasure to serve District 12.
