FACTS REGARDING CREDIT / DEBIT CARD MACHINE

For the past few months members of the ICSC have been receiving questions from members of Sonoma County Interroup fellowship regarding accepting credit / debit cards at the bookstore. To clarify a few things the ICSC committee thought it would be a good idea to list some facts. The ICSC has been researching accepting credit/debit cards for a while and have received bids from 3 different banks. If the credit card / debit card motion were to pass the ICSC would most likely chose the Exchange Bank to handle the credit/debit card process. The information below has come from a representative of First Data who processes Exchange Banks credit/debit card transactions.

SCIF can expect to pay between 2% to 2 ¾ % on average for every dollar charged on credit/debit card. For example if we except \$3,000 in credit/debit card sales in a month the cost to SCIF Bookstore would be \$60 - \$82.50 for the month, this includes all monthly and quarterly fees. First Data is going to give SCIF the hardware that is needed to process credit/debit cards for free. Exchange Bank will waive the \$50 start -up fee. Exchange Bank will also waive the \$500 early termination fee if SCIF decides to terminate our two year contract with exchange bank. Exchange Bank will do everything in their power to minimize SCIF's expense and the goal is to keep SCIF as close to 2% or less of total credit/debit card sales as possible.

The ICSC committee also realizes some members of Sonoma County AA may be concerned about the safety of their credit card information. This is what the representative from First Data had to say: You can also rest assured in the security of your customer's credit card information because you will be using our Trans Armor technology. Trans Armor is exclusive to First Data and is packet technology. When a customer's credit card information is captured it is assigned a key and the key information is transmitted. Should that information be intercepted it is useless to the perpetrator because they do not have the key! Also Exchange Bank never sells its customers information and First Data does not gather or disseminate purchase information.

The ICSC Committee

PI/CPC NEWS

PI-Public Information – CPC-Cooperation with the Professional Community

"Isn't A.A. a brainwashing cult?"

"I need alcohol and drug counseling, I'll call A.A."

"I'll get A.A. to back me up in court for my arrest."

"I'll ask A.A. to recommend an alcohol program."

These are needs and expectations persons in a crisis with alcohol problems frequently have when contacting A.A. Unfortunately for them they are perplexed to discover that A.A. does not participate in social services, rather than provide an atmosphere of recovery for the person who has a desire to stop drinking. What A.A. does and what A.A. does NOT do is what Public Information attempts to convey to those who would benefit with a heightened awareness of our fellowship.

A relatively frequent "public" audience that P.I. visits is the DUI program held by the County of Sonoma. These people would rather be anywhere else doing anything else than listening to an A.A. presentation. This is one reason why attending a P.I. training class is mandatory, to prepare the speakers. Other service providers request our presentations as well, after all alcoholism is an equal opportunity illness that touches lives everywhere: Elders, mentally ill, homeless, adolescents, professionals, etc.

It is important that the listener of the presentation has an understanding of the presence and availability of A.A. After all, if A.A. is not for them, perhaps they know someone who could and would benefit from our fellowship.

New Business: Primary Purpose motion moved before Credit Card/Debit motion for timely informed discussion. Sean outlined process a motion follows through Intergroup: every time we have motion, we have pro/con in newsletter, what's written is not approved by steering committee. Con written 2 months ago was not view of steering committee, but one individual. June newsletter letter to the editor goes through that. Business meeting format has reps come to mike to share first, two minutes to share, if time guests can speak. Please ask questions or share thoughts, want to reach and informed group conscience. Peacefully and in friendly manner. Group Reps sharing followed by individual sharing. Further discussion tabled to next meeting.

Introduction of New Business: None

Group Representatives Sharing: Liaison to Spanish Central Office asked reps for help in exchanging info from and to SCO. Reminder Cache Creek June 18-19.

Summation: What to Take Back to Your Groups: In Our Own Words play – highlight at group level.

The meeting was closed with the Responsibility Statement at 9:26pm. Gratefully in Service, Patty G

HAPPY TRAILS

Happy Trails is a once a month outdoor meeting held in the beauty and splendor of nature. On May 29th a crowd gathered at the Sears parking lot to carpool and convoy to Hood Mountain Regional Park. We were greeted by terrific views, clear skies and a warm sunny day. What a wonderful day for a meeting in the woods! We took the Hood Mountain trail towards Santa Rosa creek. The wide trail meanders down past the babble of the creek and opens into Homestead Meadows. Areas of the trail are lined with lush ferns, pretty spring flowers and oaks of all sorts tower over our route. The sweet scent of bay lingers long as we pass through bay groves. The creek crossing is a hoot with helping hands, camaraderie, laughter, leaps and splashes of delight. Soon a sign appears for camp sites. We settle in on the grass, take up seats at picnic tables and share a variety of treats and refresh ourselves. We counted 24-25 AA members and at least 5-6 supporters. Bill D. opened the meeting and announced his time to step down as Secretary. He is going out with a big bang! What a great group! In quick order Vivian was elected our new Secretary. Yeah for Vivian! B-days were announced with Mike, Kathleen, Steve, Jason, James, Heather, Chris, Devin, Robert and Vivian enjoying the celebration. Join us for our July meeting at Armstrong Woods SRA in Guerneville on the 31st. Come enjoy the wonderful redwood grove! Call Vivian S. at 707-935-6993 for details and get on our reminder call list so you don't miss out. We always meet at the Sears parking lot [B and 1st St.] at 10 AM on the last Sunday of each month.

BRIDGING THE GAP NEEDS YOU!!!

"I am responsible when anyone, anywhere, reaches out for help. I am responsible."

Remember our statement to keep this gift of sobriety we must give it away. We have this Twelfth Step opportunity in Bridging the Gap. We have the privilege of doing for the newcomer what someone did for us. Here's what BTG needs:

- Volunteers to take newcomers just out of treatment to their first meeting. Just fill out a yellow card(or flyer)and show up for orientation at the bookstore on the third Tuesday of the Month(July 19th)at 6 pm. We are most in need of residents in the West, East, and North County.
- AA's to be presenters at the assorted venues we currently and plan to present our message of hope. These facilities include Mountain Vista Farm, Azure Acres, Turning Point, Kaiser, North County Jail, and, possibly Orenda Detox. Come to our orientation on the third Tuesday (July 19th) at 6 pm.
- AA's who are or are willing to be cleared for Sonoma county jail for presentations at the North County (or honor farm).
- Young at hearts as well as younger in bodies! We encounter countless Millennium generation types at the treatment centers. Newcomers—especially—relate better with their own age group. Come to Orientation Tuesday, July 19th at 6 pm.
- We received a total of 22 requests in May for a volunteer to assist newcomers in getting to their first meeting out of treatment.

Remember how we suffered from "pitiful and incomprehensible demoralization" and how some stranger took us by the hand to lead us to our personal miracle? We have the opportunity to share that miracle with the newcomer who is lost as we show the path to freedom from our disease.

Will you carry the message to them? If not you, then who?

See you July 19th at 6 pm.

THOUGHT FROM BILL W.

“Though many theologians hold that sudden spiritual experiences amount to a special distinction, if not a divine appointment of some sort, I question this view. Every human being, no matter what his attributes for good or evil, is a part of the divine spiritual economy. Therefore, each of us has his place, and I cannot see that God intends to exalt one over another.”
