## Why We Belong to Access Sonoma County

---

Initially, I became involved in ASC because I was invited to do so by someone I respect a great deal. I wasn't altogether sure what ASC was about, but was impressed with the Signs of Sobriety meeting and felt strongly about wheelchair access. At the first couple of meetings, when we were trying to define which populations we would address, I was interested in the concept that we would address populations where steering committee decisions could make a difference.

Margie A.

I'm fortunate that I don't yet have physical limitations; I'm not deaf or blind and I can still walk all right. So I've spent most of my sobriety believing that everyone is in that same boat, that getting to meetings, getting to bathrooms, getting to the coffee and the literature - that's no trouble for anyone. Working with ASC has made it clear that not everyone has the options I do. I needed to learn that; it's made me more conscious of the needs of others. And I like the opportunity to act out our Responsibility Statement.

Jamie T.

I first encountered ASC when the furniture in my home group got moved around. I asked why that had happened; it turned out to be an access issue. That phrase, "access

## Bridging The Gap—Volunteers Needed

---

Wow...springtime. I love this time of year. For me there is a feeling of hope and growth that lies ahead in the coming months. My name is Allen H. and I am an alcoholic. For the past year, I have had the privilege and honor of serving District 12 as your bridging the gap chair. Bridging the gap is a sub-committee of general service, and has been an official arm of General Service since its inception at the 1990 AA World convention in Seattle.

Bridging the Gap is often referred to as "AA's welcome wagon." We try to bridge the gap for clients being released from alcohol treatment facilities (and medical or correctional facilities) to the client's hometown AA group. We do that by providing a temporary AA contact in the newcomer's home community to take them to their first AA meeting.

This is how Bridging the Gap works in our district: A team of 3 or 4 AA volunteers goes once a month to a treatment facility at a pre-arranged time and puts on a presentation. The presentation is designed to let the clients know about AA—what AA is and what AA is not. We show the AA video "Hope" which portrays a newcomer's release back to his home community and his first attempts to go to AA meetings. After the video, a few of the team

Generations was great. Doug plans five seminars for the coming 12 months. The next one will be in May (date and location TBD) and will be on Parenting in Sobriety.

TELESERVICE: Dave R. Teleservice has some open shifts - see page 2 of the April newsletter. An additional open shift is Thursdays 2-6pm.

### LIAISON REPORTS:

**BRIDGING THE GAP:** John B. John described the purpose of Bridging the Gap. He stated they are getting volunteers as contacts but need help at the committee level and in doing presentations at treatment centers. Please attend their business meeting 3rd Tuesday 7pm at the bookstore. Special thanks to Reps making announcements at meetings, they are getting good response to requests for help.

**HOSPITALS AND INSTITUTIONS:** Mark V. H&I business meeting is 1st Wednesday of month at 6pm at Senior Center in Santa Rosa. The 37th Annual H & I Conference will be held April 25-27 in Burlingame. The theme is "Carrying the Message".

**PI/CPC:** Nick R. Dave R. reported for Nick. PI/CPC distributes AA -approved literature, makes presentations at DUI classes, schools, health fairs, etc. They meet the 2nd Wed of the month.

**SOCYPAA:** Kari W. Socypaa is hosting a Dodge ball event on April 19 with a 11am meeting followed by BBQ and Dodge ball. The ACYPAA conference will be held in Sacramento April 3-6. SOCYPAA is putting in a bid for the 2009 ACYPAA conference. Socypaa is holding elections during the next two months. They meet the 1st and 3rd Sunday of each month.

**ACCESS SONOMA COUNTY:** Jamie T. ASC is purchasing the Big Book and pamphlets in the language used by each of its Language Database volunteers to aid them in talking with

alcoholics who speak other languages.

**GENERAL SERVICE:** Lauralyn C. The pre-conference assembly is coming up on April 12&13 at the Contra Costa Fairgrounds in Antioch. At the Area 06 meeting last Saturday in Petaluma, the following motion was passed: That the Interpretations & Translation Committee provide interpretation for every workshop at Summer Assemblies.

**SPANISH CENTRAL OFFICE:** No report

### OLD BUSINESS:

\* The motion to eliminate the Seventh Tradition contributions at the SCIF General Meeting was passed with only two opposed.

\* Sign Language interpreters for Intergroup functions. This fund will be controlled by Intergroup for its own events only - to include workshops, speaker meetings, alcathons and Intergroup meetings. An interpreter will only be hired for an event if specifically requested by at least one deaf member, who would thereby commit to attending. They are asking that Intergroup set aside \$1500 for this purpose initially, and that the program be evaluated annually." Will be taken back to Groups for sharing sessions and group conscience.

### NEW BUSINESS:

\* The motion" That SCIF install a POS system (computer + monitor + peripherals + software) for more efficient tracking of sales and inventory, at a cost not to exceed \$3,000" will be taken to Groups for sharing sessions and group conscience.

**GROUP SHARING AND CONCERNS:** None

**SUMMATION:** Bob P.

The meeting was closed with the Lord's Prayer.

Gratefully in Service,

Donna L.

## A Note From the Chair

It's April as I write this for the May newsletter, and I'm reflecting on Tradition Four: *"Each group should be autonomous, except in matters affecting other groups or AA as a whole"* and Tradition Five: *"Each group has but one primary purpose—to carry its message to the alcoholic who still suffers."*

To some extent, Intergroup exists to help us balance those two Traditions. We come together as a forum, representatives from groups delegated to reflect consensus on matters that may affect AA as a whole (in Sonoma County). Each local group is autonomous in how it interprets Tradition Five—does it support the "green cans" or "AA dances"?

About 40% of our groups participate in Tradition Four (and Seven) by contributing to SCIF and sending representatives to our meeting. Every group in the county is eligible to participate in SCIF decisions about how our local AA community collectively fulfills Tradition Five. There is no requirement that the group contribute funds in order to send a representative to have a voice in those decisions.

How does Intergroup help groups fulfill these two Traditions? Your contributions underwrite the cost of meeting directories, Teleservice Hotline service, Central Office volunteers answering phones and directing AA's to local meetings, our website and newsletter keeping us all informed and connected, and the costs of the Intergroup meetings.

SCIF supports autonomy by separating out other functions as "self-supporting" (see the financial report in your newsletter). Those functions include: An Activities Committee that organizes social events (dances, picnics, other outings) that are designed to be self-supporting, since only a minority of our members participate in them. We organize seminars or workshops on recovery or service topics, also appealing only to some members. Our annual series of Alkathons during the winter holidays provide succor, respite, and celebration to AA members at a time that can be stressful for us. And our Bookstore provides service to local groups as a resource for literature, AA pamphlets, and chips, while also giving individual members the chance to shop for AA-centered merchandise to enhance the sober lifestyle—jewelry, book covers, tapes and CD's, license-plate holders (!), etc. Bookstore operations, under the oversight of the Intergroup Central Service Committee, and Activities and Seminars, under the oversight of the Steering Committee, endeavor to be self-supporting—at no cost to groups.

Intergroup practices the Fourth Tradition by asking groups to decide on larger issues that affect the AA community—current issues include providing ASL translation at Intergroup events and implementing technology upgrades to Central Office/Bookstore operations. How we respond to these questions depends on how each group interprets both Traditions. Is your group participating in these decisions? We encourage you to do so.

Diane W.

## Cache Creek

Believe it or not we are almost to the Cache Creek Trip final payment time. If you have your deposit in, please mail you final payment as soon as possible. There are still a few spaces left but they go very fast right about now. Don't be left out!

The trip is the weekend of June 21 & 22, but payments coming in ASAP help us to secure more spaces if we need them. Come one, Come all...if you haven't been on this trip, well...it's a trip. But if you miss it this year, don't worry. All you'll miss is an entire weekend of fun, sun, and fellowship for the minimal price of \$140. That includes rafting, food, campsite, and some very "suspect" pirates that pilot the river with water guns. It truly is a weekend many folks look forward to every year.

Paul S.

### Bridging the Gap (Continued from page 3)

members give a brief talk about what it was like for them to find and get started in AA. Then they ask if any clients would like to have a temporary contact hook up with them and accompany them to their first AA meeting upon release. If the answer to this is yes, then they fill out a blue request card which asks for name, phone, age, sex, release date and zip code destination. These "blue cards" are collected and sent to a phone coordinator whose job it is to find a volunteer in the newcomer's zip code. This volunteer will be the same sex as the requester and as close in age as possible. The Bridging the Gap volunteer then contacts the person requesting the service before they leave the treatment facility and extends the offer to take them to a meeting on or close to their first day of release from treatment.

This is the vital 12 step work we do. As our responsibility statement says:

When anyone, anywhere reaches out for help, we want the hand of AA always to be there, and for that we are responsible.

Bridging the Gap in district 12 needs volunteers! To be a temporary contact volunteer an AA member should have at least 6 months of sobriety and have a working knowledge of the twelve steps. If you volunteer you will be asked to attend a short orientation meeting. These orientation meetings are held on every third Tuesday of the month at 6:30 pm at the bookstore located at 750 Mendocino Ave., suite #10. The regular business meeting follows at 7pm. Anyone is welcome at either meeting.

We need volunteers everywhere in district 12, especially in the out lying areas...Glen Ellen, Sonoma, Kenwood, all of west county, Windsor, Healdsburg and Cloverdale.

Make yourself available to help a newcomer. As a BTG volunteer, you will probably only be called upon a few times a year, at most. The secret is to open your heart and be AVAILABLE...to yourself, your higher power and to the still suffering alcoholic.

Allen H.

BTG chair district 12

## HOSPITALS AND INSTITUTIONS

"When we consult an AA friend, we should not be reluctant to remind him of our need for full privacy. Intimate communication is normally so free and easy among us that an AA adviser may sometimes forget when we expect him to remain silent. The protective sanctity of this most healing of human relations ought never be violated.

"Such privileged communications have priceless advantages. We find in them the perfect opportunity to be as honest as we know how to be. We do not have to think of the possibility of damage to other people, nor need we fear ridicule or condemnation. Here, too, we have the best possible chance of spotting self-deception."

[Bill W., Grapevine, August 1961]

The April meeting of the H&I Committee was pleased to welcome new meeting reps Sharon O., representing the Early Birds group (Petaluma); Adrienne B., Young People's Tea and Recovery; Julie, Russian River Women; Carol, Broads' Night Out; Kevin, Midweek Insomniacs; Jay S., Tuesday 12 x 12; Karen, Spirit of Akron; Tim, Saturday Night Living Right (Sebastopol); Jason A., Alcoholics Only; Christine, New Life II (Pet); Bill R., Steps in Windsor; Lem, The Up Group; Morgan, (RP/Cotati) Drop the Rock; and Ginger, No Frills Group; Thank you for being of service!

Also joining us were visitors Justine, Robert, Luther, John and Trevor—keep coming back; we hope you discover your "brand" of service.

There was a total of 108 years and 3 months' worth of sobriety being celebrated by Sharon, with 2 years; Roger A., 11; Chris, 4; Bob G., 14; John C., 7; Jason, 20; Peter S., 22; Jonathan, 3; Annie, 17; and Joni, 5. All his sponsors (who had long-term sobriety and were members of H&I) helped him learn how, by showing and suiting up, doing what's suggested (including avoiding profanity), and making a commitment could change (and save) his life.

issue", has since become a working part of my vocabulary! For me, this service has been about raising my awareness of the needs of various members of Alcoholics Anonymous. I've learned new respect for members with different needs. As I've extended this consideration and respect to others, it's become possible (some days) to extend it to myself as well. The more disabled I become, the more I appreciate the work of this committee. Access is about making sure I can be part of the fellowship no matter what's going on with me physically. I need that assurance for my continuing sobriety and serenity. To me, it's worth working for.

**BOOKSTORE NEWS**

Things seem to have settled down here and on March 31st we completed our 1st quarter inventory. Thanks to all the people who showed up and helped us count everything in the bookstore.

This past Monday, John S. made the biggest sale in bookstore recorded history: 200 Big Books to the U.S. Coast Guard Training Center at Two Rock. Thank you to John and our sober fellows in the Coast Guard.

We are beginning to plan for the summer season when our volunteers will be away on vacation, so we would welcome a call from people who are interested in being listed as "on call" to fill in for our vacationers.

Thanks to all of our volunteer staff and loyal customers who have made my new job a real joy. In Service,  
Linda M.
