Delivering (literally) the good news

I've been in service with Public Information/Cooperation with the Professional Community (PI/CPC) for almost a year now. It is a subcommittee of General Service. I became involved when I heard the group needed support distributing A.A. literature – I could do that! I spoke with the PI/CPC Chair to find out where literature was needed versus already being delivered, then chose places to go, created a list with addresses, and figured out a route.

When I arrive at a destination, I grab a packet (eg. meeting schedules, A.A. at a Glance, or other brochures), and go on in to introduce myself as a representative of PI/CPC offering brochures about Alcoholics Anonymous. Most contacts are very appreciative and take the packet or instruct me where to set it out. Then off I go to the next place. Usually I can visit four or five places in an hour, and do so once or twice a month. It seems after a few months I'm back around to the beginning of my list, which has now grown to about 20 sites including public libraries, police stations, hotels/motels, and a few medical/treatment-related facilities. There are a handful of us from PI/CPC delivering information around Sonoma County, and there's room to grow.

Sharing information to non-A.A. folks in the community is a rewarding, easy service commitment. So many in our society need A.A., but usually it's those who want it who take action. I do want the hand of A.A. to be there, and for that I am responsible.

This is your invitation to distribute literature, or become a speaker for the local Drunk Driving Program (DDP) meetings – young folks are especially needed. We'd love to have you attend a PI/CPC meeting at 7 p.m. (for speaker training) and at 7:30 p.m. (for monthly business) on the second Wednesday of each month at the Santa Rosa City Hall employee lounge by the underground parking. PI/CPC can be reached at 538-2310 or picpc@sonomacountyaa.org.

TELESERVICE FLASH

After many years of recovery and many different service positions, I heard an announcement at a meeting that teleservice needed help and decided to give it a try. In the last six months I have attended the monthly meeting and have spoken numerous times with those who answer the hotline phone. I wanted a commitment that would be behind the scenes, one that I could do with little or no recognition, and boy, did I find the place. These hotline volunteers give of their time and energy to what is, in my opinion, truly the front lines of A.A. They are sometimes the first person to speak to the suffering alcoholic, other times that sure guidance to a meeting when someone is shaky or the listening ear that we all need. I am in awe of their commitment to this needed service. They aren't in one of the many "high profile" positions that A.A. has to offer, and for that reason I hold them in the highest regard. If you're looking for a commitment that will help to solidify your recovery and help you to be grateful for your recovery, teleservice is the place. Come join us at the committee meetings on the second Monday of the month, take a shift answering phones or make yourself available to be on teleservice's much-too-short Twelfth Step list. Teleservice is a great way to become involved in your own recovery.

— Kathryn S.

The "Gifts" of Service

Service work always brings "a quality" to the volunteer that the volunteer usually wasn't expecting. I know whenever I complete a service commitment, I have the feeling I have received a "gift" that I was not expecting from doing that service. When I first was a General Service Representative (GSR), I overcame my fear of the unknown. If you've ever been a GSR, you know that you might think you know what the commitment is all about, but when you attend your first district meeting, and hear all those acronyms, you want to bolt. I hung in there and not only learned a deeper respect for A.A., our history and our Traditions, but also I have made many new friends who do this service work outside of District 12. I never expected that result from becoming a GSR. Learn what it means to be truly available by volunteering to serve.

Hi everybody, my name is Allen H. and I am an alcoholic. I served on the CNCA Bridging the Gap committee last panel as the "out-of-area-coordinator." Bridging the Gap helps newcomers who have just been released from either a treatment facility, prison or jail get to an A.A. meeting in their home community. This is done by having an A.A. volunteer from that community take the newcomer to an A.A. meeting after they are released. This is usually done a day or two after the person returns home. When the person lived outside of our CNCA boundaries, then it was my job as the out-of-area coordinator to find a contact in the newcomer's hometown to take him or her to a meeting. Most of the people I have helped in the last two years were from a town or city in a nearby state. Recently I had to find a contact for a girl returning to Marseille, France. The "gift" I received by being available to help make that bridge was that I had to talk with the General Service Office in N.Y., get a translator to help me connect with A.A. Europe, and finally develop a contact in Marseille. The A.A. language of the heart is spoken worldwide. That experience really helped me grow because I felt I could never accomplish the goal. The "gift" was completing the "bridge" and meeting all the people along the way. I know I grew from it. I don't know who got the better end of that experience, myself or the girl returning home to France.

The Bridging the Gap Committee for District 12 meets on the third Tuesday of the month at the SCIF bookstore on Mendocino Avenue. Orientation for new volunteers begins at 6 p.m. and the regular business meeting starts at 6:30. Anyone interested in finding out more about being on a presentation team, taking a committee position or becoming a Twelve Step volunteer to take the newcomer to a meeting is encouraged to attend. A regular committee position might be as a liaison to SCIF or SOCYPAA, alternate chair, out of area coordinator (like I was) or the Twelve Step phone coordinator.

The Bridging the Gap Committee needs volunteers from all over Sonoma County. The requirements to be eligible as a BTG volunteer is to have at least six months sobriety, a working knowledge of the Twelve Steps, attendance at one BTG volunteer orientation meeting and a working phone. Carry the message, as Bill and Bob did, from one alcoholic to another alcoholic.

See you at the next BTG monthly meeting on May 15 at the bookstore. For more information e-mail btg@sonomacountyaa.org or call Claudia N. at 477-4704.

“We admitted we could not lick alcohol with our own remaining resources, and so we accepted the further fact that dependence upon a Higher Power (if only our A.A. group) could do this hitherto impossible job. The moment we were able to accept these facts fully, our release from the alcohol compulsion had begun.

“For most of us, this pair of acceptances had required a lot of exertion to achieve. Our whole treasured philosophy of self sufficiency had to be cast aside. This had not been done with sheer will power; it came instead as the result of developing the willingness to accept these new facts of living.

“We neither ran nor fought. But accept we did. And then we began to be free.”

— Bill W., Grapevine, March 1962

The April 2012 meeting of the Hospitals and Institutions Committee welcomed new meeting reps. Michael, representing Nor-Cal Young n’ Done; Leslie, River Women’s Meeting; Jeremy, Meeting At The Ranch; Barbara, Women in the Solution; Marietta, Step Study Group (Sebastopol); Mark, Oaks Fellowship; Charlie, Burbank Group; Jen, Women’s Tuesday at Noon; Colette, A Vision For You; Daniel, Sometimes Slowly; Nick, Dogs On The Roof (Tuesdays); Carl, Dog On The Roof (Saturdays); and Nicolas, Join The Tribe. Thank you for being of service! Tamara, Charles, Barb, Trish, Jerry, Charlie, Megan, Cindy, and Colin were our much-appreciated visitors—please keep coming back! A grand total of 90 years’ worth of sobriety was being celebrated for the month of April!

Is your Higher Power nudging you to be of service? Why not find out if H&I is for you at the next meeting of the H&I Committee on Wednesday, May 2, 2012, at 6:15 p.m. As always, everyone is welcome to attend the orientation that begins at 5:45. The location is the Community of Christ Church, 1495 W. Steele Lane. We look forward to seeing you there!

What is Access Sonoma County?

Access Sonoma County is a subcommittee of General Service whose mission is to explore, develop and offer resources to make the message of Alcoholics Anonymous, and participation in our program, available to everyone who reaches out for it.

Why is this important?

Imagine being in a wheelchair and unable to attend a meeting near your house because you can’t get in the building.

Imagine being in a wheelchair and unable to attend a meeting near your house because you can’t get in the building.

What about the person who is prescribed medication for a serious medical condition but told at a meeting that they’re not sober if they take this medication? (This is not what A.A. literature says.)

If you knew an alcoholic who couldn’t hear would you know how to recommend a meeting for them?

If you just moved here from afar and spoke no English (or Spanish) it would be so helpful to be in contact with a sober alcoholic who spoke your language!

These are just a few issues that Access Sonoma County continues to address. We have recently lost key members of our committee but want to continue this important work. The Responsibility Statement is: “I am Responsible. When anyone, anywhere, reaches out for help, I want the hand of A.A. always to be there. And for that: I am responsible.”

Come be a part of making it happen. We meet at the SCIF Bookstore the second Thursday of each month at 6:30 p.m. You can also email us at asc@sonomacountyaa.org or call Lori L. at 707-364-0334.
