MESSAGE FROM THE SCIF CHAIR

Below is a summary of the Intergroup / Central Office / AAWS / AAGV seminar I attended. I had the opportunity to be present at many different workshops on a wide assortment of topics. The format for the workshops was that one speaker talked about the topic for around 10 minutes, then they opened it up to the room to discuss what happens in their group. The workshops lasted 1.5 hours a piece. Some of the workshops I went to were: Teleservice, Paid Employees and Their Responsibilities, The Sale of AA Literature, and Requirements for AA Meetings to be Listed in Meeting Schedules. I also spoke with other Central Office / Intergroup office managers to see how their fellowships operate. SCIF is smaller than some of the other fellowships, like Oakland Intergroup and San Francisco Intergroup, but I believe we can still have a lot to learn from these groups. A majority of the other people in attendance were full-time paid employees for their fellowship.

In reference to Teleservice, most of the other fellowships have their phone service run out of the central office / bookstore while they are open. When the office is closed they use a call forwarding service to transfer the phones to volunteers. Using a call forwarding service through the phone company allows their group to save the cost of an answering service.

The seminar on Paid Employees discussed how a majority of the office managers help out in all aspects of the central office. Included is a list of some of their job responsibilities, but please remember that these are full-time employees. They are listed as: having active participation in all business and steering committee meetings, signers on the checking account, monthly bookkeeping, paying the bills, overseeing meeting schedule changes, overseeing the newsletters, and they also have a vote.

The Sale of AA Literature was an interesting seminar. It described how different groups operate in different ways. Some groups only sold literature published by AA World Service, they did not even sell sobriety chips. Other groups only sold AA approved literature and sobriety chips. Then there were groups that sold literature that the members in their area requested.

The seminar on AA Meetings Listed in the Meeting Schedule mainly dealt with the criteria for how to list meetings in the meeting schedule. It seemed like every area was a bit different depending on what worked best for that specific area.

Another great part of the seminar was speaking with office managers from different Intergroups. I talked extensively with Maury, the office manager of San Francisco, and Steve the office manager of Oakland. My conversation with them gave me an opportunity to see what other groups are doing in the area.

In Closing I would like to thank the SCIF intergroup representatives for sending me to the Intergroup / Central office seminar in St. Louis Missouri, I greatly appreciated the opportunity to attend. From what I have taken back from the seminar in the upcoming months I may be bringing some possible long term changes for Sonoma County Intergroup Fellowship to the ICSC, and Steering committee meetings.

Sincerely
Sean M

INTERGROUP OFFICER POSITIONS

Soon it will be time to rotate! In January, we will be holding elections for our Intergroup officers; in February, we will elect new committee chairs. Because each of us is limited to two one-year terms, some of us must be replaced.

Do you have the time? Can you make the time? Ask yourself, "If not me, then who?"

Here are the positions that are coming up

CHAIR • VICE-CHAIR • SECRETARY • TREASURER • REGISTRAR

I am responsible. When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that: I am responsible.

Liaison to Unity Day:(Alex C.) Sending around a sign-up sheet for people to bring salads and desserts for lunch. Main course will be provided. Unity Day will be October 9th at the Sebastopol Vets Bldg. It is an opportunity for people to learn about service.

Officer Reports:

Chair: (Sean MCP.) went to conference in St. Lois, very interesting. Met and talked with the managers of San Francisco and Oakland. We have 40-48% participation from our groups; most places only 30-33%.

Vice Chair: (Doug S.) Talked to Sean while he was in St. Lois. I think one of the reasons we have high participation is that we only meet from 8-9 and then we're done. Reminder- if you're giving a report, please come up and use the chairs.

Recording Secretary: (Siobhan S.) August minutes were accepted.

Treasurer: (Shirley J.) Group contributions of \$4,230 improved for the month of August more than previous year by \$2,345. Group supported expenses exceeded income by \$30, Bookstore expenses exceeded income by \$1,317, and Seminar income is \$57, resulting in a \$1,292 net loss overall.

Registrar: (Rich S.) In August we had 356mtgs/week, 148 reps, for 41% group representation

Bookstore Report: (Linda M.) Book prices will be going up on Monday Oct 4. New price list available next Monday. 3rd quarter inventory was held yesterday afternoon, and went very well, no big discrepancies. Daylight Savings Time takes effect on Sunday, Nov. 7th, and we will go to winter hours, with the bookstore closing at 5pm Mon-Thurs until next March. There is a volunteer opening on alternate Monday afternoons..

Committee Reports:

ICSC: (Steve B.) ICSC oversees the bookstore. We did a lot of work before deciding to raise the book prices. Our overhead is extremely low here; the big losses listed in the financial report are due mainly to the burglary.

Activities: (Kathy M.) Halloween dance will not be at the Community of Christ church, the venue is not large enough. Instead it will be at the Odd Fellows Hall in Santa Rosa. It is sure to be an **EXTRAVAGANZA!!** Please see the flyer for information.

Alkathons: (Patty G.) Please come signup after this meeting. Also looking for volunteers. Contact Patty.

Communications/Newsletter: (Brian Z.) didn't have usual meeting so no second eyes on the newsletter. New meeting schedules out, they're the blue ones.

BRIDGING THE GAP

“Bridging the Gap” or “The A A Buddy System”

Bridging the Gap (BTG) is a sub-committee of General Service whose AA member volunteers take people newly released from treatment facilities to their first AA meeting. Individuals are matched by sex, age, and zip code so the newcomer feels welcome at a meeting convenient to their needs.

Just by volunteering on a phone list you can make a big difference to a newcomer one-on-one. If you're going to a meeting anyway why not take someone with you? This is a great service commitment that is fairly infrequent (last month we had about 30 newcomer contact requests).

Want to get more involved than just being on the phone list? Please come to the BTG monthly business meeting at the Bookstore the 3rd Tuesday of each month (new rep orientation 6:00pm/meeting 6:30-7:30). We need volunteers to present the BTG program (and show the new “Hope” video) as we expand our outreach to more facilities. We have other committee positions available as well. You can be of service with BTG at 6 months sobriety (2 years sobriety needed for jail clearance).

BTG is a great way to get involved and stay in the middle doing 12th Step work; meeting new people, sharing our experience, strength and hope.

Through BTG I brought my first newcomer to a meeting back in November 2009. She and I still see each other at least once a week at a womens' meeting and have become friends in our recovery; a joy I wouldn't have experienced without volunteering for BTG!

It Works!

In fellowship and service,
Felicia S.
BTG Intergroup Liaison

PICPC NEWS

The Public Information/Cooperation with the Professional Community Committee of Alcoholics Anonymous in Sonoma County meets the second Wednesday of every month in the employee lounge at Santa Rosa's City Hall. We hold an orientation for new speakers at 7:00pm and the committee meeting convenes at 7:30pm. This committee gives presentations and provides A.A. literature to non-alcoholics who may be interested in our program. A typical presentation involves two speakers—one to speak about the history and function of Alcoholics Anonymous and another to share their personal experience with A.A.

We have recently started reaching out to professionals who deal with Veterans. We also have a number of high school presentations on the horizon. We have compiled packets of literature for members to personally pass on to their clergy and doctors. These packets can be obtained by your GSR at the district meeting.

We are currently interested in increasing the number of members on our committee. Most of us have been involved in this form of service for quite some time and we welcome the ideas and enthusiasm that come with new blood. If you are interested in this form of service, please come visit us.

HAPPY TRAILS

Happy Trails is a once a month outdoor meeting held in the beauty and splendor of nature. On Sunday, September 26th, we ventured out to Point Reyes seeking the elk herds of Tomales Point. What a sight! We spotted 5 elk herds along the trail and were treated to a ranger giving an elk talk while we got a closer look with his spotting scopes. On we went, with marvelous views of beaches, surf, banks of fog, ocean breezes and mountains in the distance. As fog began to roll in in front of us, we turned back on the trail to find a meeting spot on a rock outcropping to enjoy lunch. With a 360 degree view, we ate, shared cheese, crackers, fruit, nuts and other goodies. We had another great meeting out in the tamer wilds of our fabulous Redwood Empire. Come join us on Sunday, November 28th, for a journey to a special redwood shrouded waterfall on Sonoma Creek at Sugar Loaf in Kenwood.

Call Ryan L. for details at 707-478-2170. Happy Trails!

GENERAL SERVICE

Carrying the message is the basic service that the A.A. Fellowship gives. Anything that helps reach a fellow sufferer. Doing what I can do to help fulfill this objective. This program has allowed (offered) me this opportunity. The service position that I have spent this panel on has added greatly to my understanding of A.A.. Sure I have the process of doing my position "down" but the spiritual growth has moved me along. Had I not made myself available, had I stayed on the outside, sat in the back row, what I would have missed is just that.....MISSED.

Tonight I was at a Group Inventory of a Sub-Committee of General Service. I listened to the group share in their inventory process. These "In Service" individuals freely giving of their time so the message can be carried.

General Service will begin their elections, at the November District Meeting, for positions on the next panel. Some of the current officers could "Rotate On" some might "Rotate Out". The question is, Available / Not Available? The time of the year when this question bounces back and forth in many an A.A.'s mind.

I am responsible when anyone, anywhere, reaches out for help, I want the hand of A.A. always to be there; And for that I am responsible.

In Service, Steve de J.
