GET SOBER, GET CHEAP!

I don't know about you, but I spent hundreds of dollars every month on booze. I bought beer and whiskey on a daily basis for over 30 years. I know that adds up to thousands of dollars over the years.

When I was drinking, I'd throw money around—I thought I was a millionaire. I'd just give money away, writing checks to charities. I'd put them in the mail, and not know I did it until I got my bank statement the next month! Needless to say, I bounced so many checks, the charities quit sending me solicitation letters and the bank asked me to take my business elsewhere. It made me feel important to give money away, and I always let people know how generous I was! I was forever talking about the charities I helped.

When I came to AA and got sober, my finances were a mess. I was broke—mostly from missing so much work without pay—and it was an awful realization. An old-timer told me to put whatever I could afford into the basket when it was passed.

The **Seventh Tradition** was practiced

July 2004 minutes were reviewed & approved with the following corrections under New Reps: "Ron from Saturday Morning Beginners" and under H&I: "Business meeting occurs at 6:15PM."

Registrar: Deborah shared new sign-in forms and is investigating integrating data on computer.

LIAISON REPORTS

General Service: Donna K. attended the Summer Assembly in at a beautiful new lodge on the Eel River in Fortuna, CA. There were 334 folks in attendance, and a Class A non-alcoholic trustee as one of the speakers. GS is preparing for possible vote on 2 motions on the floor at the area level that your General Service reps should be discussing: 1. Producing a pamphlet for the non-theist and 2. Looking into the cost of getting professional translation from English to Spanish and vice versa for GS monthly meetings and each of the 4 assemblies per year. Gearing up for rotation with elections in Watsonville on October 30th, and our District Elections will be on November 1st. PRAASA registration forms for Canada 2005 are available on line.

H&I: Mark reported NCAA will occur in Yuba City on October 1st-3rd, and the 33rd Annual will occur in Galt on April 22nd-24th, 2005.

PI/CPC: Dave R reported that they distribute literature throughout the County and participate in a dozen or so DUI classes per month, including multiple offender and youth offender DUI classes. PICPC meets on the 2nd Wednesday of each month at 7^{pm}, and they have a need for young speakers for presentations at schools.

Bridging the Gap: Carolyn A. explained that BTG matches people exiting from treatment programs with AA volunteers to take them to their first meeting. To volunteer, you need 6 mos. sober and working knowledge of the steps. They had 15 local requests and 19 out-of-district requests for BTG services last month.

OFFICER REPORTS

Intergroup Chair: Kay S. indicated that Craig puts a lot of effort into making events attractive to as many folks as possible and that she would like to see more folks at activities and that children are welcome. Kay relayed that she will not be in attendance next month.

Vice Chair: Steve B. oriented 6 new reps, one from a new group. He reminded everyone that the new rep orientation occurs at 7:30PM before the general meeting.

Treasurer Report: John S. reviewed the financial report on page 7 of the newsletter and indicated that, as usual for this time of year, we are behind by \$2,500 and usually catch up by end of the year. John then deferred to Colin who expressed concern that he was hearing Intergroup reps giving misleading SCIF financial reports to their groups including misinformation about who should donate how much money into the basket when it is passed at a meeting. Colin suggested that groups bring their old newsletters to the bookstore to recycle them and to take less to begin with so as to discourage waste. Bob K. then gave a detailed but clear explanation of the financial report that is printed in the newsletter each month as well as the balance sheet and

HOSPITALS & INSTITUTIONS

"We treasure our 'serenity prayer' because it brings new light to us that can dissipate our old-time and nearly fatal habit of fooling ourselves.

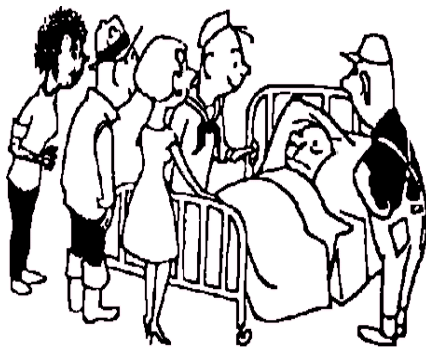

"In the radiance of this prayer we see that defeat, rightly accepted, need be no disaster. We now know that we do not have to run away, nor ought we try to overcome adversity by still another bulldozing power drive that can only push up obstacles before us faster than they can be taken down."

[As Bill Sees It, March 1962 Grapevine]

Present at the September meeting of the H&I Committee were new reps Robert R., Connie, Steve, Mark, Keith A., Tracy H., Dave R., Athena, Cheryl, Eric and Maurice. They were joined by visitors Ron, Tom S., Jolie, Kim and Denise. A warm Fall welcome to all of you!

We had over 119 years of sobriety

being celebrated for the month of September. The celebrants were Pete, with 29 years; Carolyn A., 3; Willie K., 3; Aldo B., 10; Al, 22; Mark, 2; Jolie, 4; Patrick P., 6; Ken 2; and Christina, 1 ½. Mark and Eric had 9 and 5 months,

respectively. Keep coming back!!!

Dave R., in his five-minute share, told us how "AA saved my life." A Vietnam vet, he had been floundering until he

found the program. He learned how to follow suggestions—whether he believed they worked or not. The steps taught him how to grow up and deal with life. His H&I service keeps him in the middle of AA. He has become a responsible person who can look other people in the eye.

MARK YOUR CALENDARS for **UNITY DAY, October 23**, at St. Mark's on Mayette Avenue, Santa Rosa. Stay tuned to this newsletter for further details and how you can be of service (H&I is hosting this year).

Service happens year 'round, so if carrying the message of AA to another alcoholic appeals to you, come check us out on Wednesday, October 6, at the Santa Rosa Senior Center on Bennett Valley Road. Orientation begins at 5:45, followed by the regular meeting at 6:15.

ACTIVITIES

Wow, how on Earth did it get to be fall so fast? It seems to me like it was just a few months ago that it was new years! For all of you who went to the Great

America trip thanks, that would be exactly 3 people *including myself*. That either means nobody was interested in Great America, everybody forgot when it was, or absolutely nobody reads my article. I suspect it might be the third answer. If so, then I can say anything, and nobody will complain. Being that September 19th was International "Talk like a Pirate Day", the last big holiday that went by; I will finish this column in pirate talk.

On October 10th, SOCYPAA, t' Sonoma County Young People in Alcoholics Anonymous be hostin' a trip t' Marine

World. We will meet at t' Santa Rosa Plaza, in fore o' Sears at 8:00AM, or at 10:30AM at t' fore gates. Brin' a chair, because thar will be a "tailgate" meetin', in

section "E" o' t' parkin' lot, outside t' park. This be t' most remote section, and just left o' t' toll gate when you drive in. I have coupons for \$20 off of admission, so the price is \$25.99. Parkin' will be \$10.00 per car.

T' 70's/80's dance was such a big hit, we be doin' it again for Halloween. Thar be a DJ, and t' same band, DR. MD. It will be on Friday, October 29th,

at t' Sebastopol Community Center. I will need volunteers, so call me about this, and t' SOCYPAA event. Have a Happy Halloween!! Ahoy!

GENERAL SERVICE

Greetings Fellowship!

The Summer Assembly was held in Fortuna on August 21st with high attendance, and Humboldt-Del Norte County (District 15) did a wonderful job of accommodating AAs visiting from far and wide. A group of us from Sonoma County (District 12) stayed at the RV Park, some in cabins and others in tents. On Saturday night we went to dinner in downtown Eureka, and it was an excellent opportunity to enjoy one another's company. There are so many good people dedicated to General Service, and it my pleasure to get to know them better at each event.

For me, the highlight of the Assembly was being able to attend a Spanish-speaking PI/CPC workshop and listen to the presentation interpreted over the radio. This was a first, and afterward, I realized that our Spanish-speaking members must have plenty of willingness in order to listen so keenly to all that is being said via an interpreter. In addition, the interpreters themselves have an incredibly challenging job in keeping up with everyone who is speaking at the entire assembly! My hat is off to them! It was truly a blessing to hear their message and participate in the workshop...I honestly feel that due to the interpretation factor, there was a communication bridge linking us to each other, and because of it I was involved in the process rather than an outsider. What a huge difference it can make when we really slow down and take time to understand others!

At our next assembly it will be time for elections, so the current panel of trusted Area officers that have served us so well over the past two years will rotate, allowing a brand new panel to emerge. The Fall Election Assembly is on October 30, 2004, and will be held in Watsonville at the Santa Cruz Fairgrounds. I will look forward to seeing many of you there!

At our monthly District Business meeting held on September 6, we had a big welcome for our newest GSRs: Adam, David and Marlene. We also welcomed our visitors: CNCA Chair Ross J., Suzanne and Diane. The following sobriety birthdays were recognized and celebrated: Martha, 6 years; Katha, 5 years (our very own Treasurer!); Mary, 9 years; Ben, 3 years; Diane, 19 years; and Lauralyn, 17 years. Happy birthday to all, and keep coming back!

The discussion regarding the PI/CPC motion: *GSRs ask their group secretaries to document incidents of unruly behavior by persons bussed or vanned to meetings by*

treatment facilities for follow-up by PI/CPC or appropriate entity came to a close as the motion was withdrawn by Tom P., PI/CPC chair. It was generally agreed that a hearty exchange of ideas keeps the fellowship healthy. The group's concerns were heard, new ideas expressed, and it was an overall positive experience for the District.

Final Conference reports are here! The theme for the 54th General Service Conference was *Our Singleness of Purpose—The Cornerstone of A.A.* If you haven't had a chance, please ask your group GSR to obtain a copy for your review. This report is the outcome of your group's sharing sessions that

were held on the agenda topics last Spring. Your Delegate, Doug G., took the 'group conscience' of this Area (CNCA) to the General Service Conference in New York as our representative. The report will include any advisory actions (items voted on where changes will occur) and also additional considerations, (those items that may come up as topics at a later time).

We were blessed to have Ross J., CNCA Chair, as our District guest, who shared about the intricacies of the conference process, and what to look for in the final report. He directed us to an excellent article written by CNCA Delegate, Doug G., entitled "Safeguarding our Unity." He also informed us that presently GSO is gathering stories from the Spanish-speaking communities for inclusion in the new Spanish Big Book. The

deadline for submissions is September 1, 2005. In addition, they are looking for sober stories from young people, (focusing on ages 13—15) to be published in the revised pamphlet "Young People in AA." So, there are many ways to participate in the fellowship! It would be wonderful to see local Sonoma County stories in the new publications!

The theme for the 2005 General Service Conference will be: *Basics of Our Home Group—Recovery, Unity and Service.* The Sonoma County fellowship can begin participation now by discussing what a Home Group is and why it is important to the AA member. This can be a topic at your meeting, brought up in the steering committee, or discussed with the newest members of your group. Do you have a Home Group? If so, what does it mean to you?

The word from the *Grapevine* is that subscriptions are down, so perhaps one AA member at a time we can show support for our "meeting in print" by purchasing a subscription for ourselves, our group, or for a sponsee as a gift. Remember when you support our world services, you may be indirectly helping an AA who is incarcerated and really needs that *Grapevine* to read.

The 2005 International AA Convention in Toronto, Canada is approaching rapidly and *registration forms are finally here!* That means you can get registered, make room reservations and start getting jazzed up for one big AA celebration! Registration is now available online at www.aa.org. Under **Services for Members**, click on **2005 International A.A. Convention**, then click on **Registration and Housing**, click **English**, then go to the **Start Your Registration Here** button. Reminder: You will need a passport to attend, and if you have any felonies in your past, including DUIs (which are felonies in Canada), then you need to start doing some serious investigation ahead of time to find out whether or not you will be able to get into the country. There is a wealth of information on the aa.org website regarding this matter. If you do not have a computer, then ask any AA who has access to help you do some homework. Please join us for our next monthly business meeting on Monday, October 4, 2004, at 7:30PM. The AA service manual study is at 6:45pm and new GSR orientation 7PM. We would also love to see you at the Fall Assembly in Watsonville! Take care until then!

In love and service,
Mary W.

Get Sober, Get Cheap!

(Continued from page 1)

At first, it was tough to put anything in; I was just beginning to get to work 5 days a week and pull out of the financial hole I'd put myself while in my drunken stupor for 30 years. But I made the effort because I was told that it was important. The old-timers told me that it was important to put money in the basket because we are self-supporting through our own contributions. That means we don't get grants or take out loans to keep the doors open, and that it is up to the individual member of AA to contribute in order to keep the doors open for the new guy. They told me that one of the responsibilities that comes with sobriety is to support AA financially, to ensure that the message of AA can continue to be carried to the still-suffering alcoholic. At first, I put money into the basket just because I was told to, plus I was afraid people would think badly of me if I simply let the basket pass by me. For many years now, I've put my dollar in the basket as it passes by me. But recently

I went to a restaurant for breakfast. I wasn't really hungry so I ordered coffee and a cream stick—they advertised Krispy Kream! I was shocked when I got my bill—it was for \$2.37! Plus, they only gave me one free refill on my coffee! It hit me then: All those years I've been going to AA meetings eating donuts, drinking as much coffee as I wanted, and putting a measly buck into the basket. Oh no, I had gotten sober and cheap! It was a terrible realization, and I was momentarily ashamed of myself. That old saying immediately came to mind: "How grateful are you?"

I'm glad to say, I quickly rectified the situation by putting two bucks into the basket at each meeting I attended from then on. I go to 5 meetings a week; that's only 10 bucks a week I'm giving to a program that saved my life and taught me a way of life that brings me immeasurable happiness on a daily basis. How grateful am I? I'm grateful enough to do my part in supporting AA by putting two bucks into the basket!
