### SERVICE OPPORTUNITIES:

#### Alkathon Chair Position

In 2018 I attended the New Year's Eve Alkathon at Range/Steele. A friend had asked me to volunteer in the kitchen for one of the late-night time slots. What followed changed my life. The fellowship, service, and energy surrounding the Alkathons are impossible to describe but need to be experienced. After this, I felt called to make myself available to chair the Alkathons, knowing I would have a lot of work to do but even more support if it was asked for. The preparation, planning, and labor to pull off these events is considerable, but the rewards for so many during the holidays is exponentially greater than any sacrifice made by those performing this wonderful service work. Please make yourself available for Alkathon Chairperson. It was a significant turning point in my sobriety in moving from fear and doubt into faith.

-Kevin H.

#### The election will be held at the SCIF General Meeting:

April 26th at 7:30pm. - Minimum 2 years sobriety - Chair coordinates three holiday Alkathons. The position will require you to recruit and delegate to subcommittee chairs; draft budgets; shop for supplies; and hold regular planning meetings.

### **AAWS GUIDELINES FOR NEWSLETTERS:**

"Newsletters or bulletins published by central offices may include not only office news and events, but similar information about the groups and committees served by these offices (such as meeting times, openings of new groups, or changes of group meeting locations or officers). Frequently, material from A.A. literature is reprinted and discussed, and articles on subjects of interest to A.A.s are also published. Experience indicates that, as in most A.A. service activities, it is prudent to make a committee (rather than one or two individuals) responsible for the format, planning and content of the bulletin."

# PI/CPC

Have you ever wondered how these weird misconceptions and myths about AA come up? Is it word of mouth? Is it really how some meetings run? If you'd like to be a part of setting the record straight about what AA is, and more importantly what it is NOT, come join us in PI/CPC!

Public Information/Cooperation with the Professional Community is a committee whose primary purpose is to educate people who might be potential alcoholics or professional communities that may have alcoholics among them, on what to expect in AA. We do this in different ways: distribute literature in places where we think alcoholics might be, such as assisted livings, libraries, doctor's offices, counseling offices, etc. We also make presentations at the request of certain facilities, largely high schools and DUI classes.

Personally, making presentations at high schools (and most recently middle schools!) has been the most rewarding commitment in AA for me. As a younger person, these high schoolers can relate to my story, especially since my alcoholism really got rolling around grade 10 & 11. They get to see that us AAs are not a glum lot, and that a productive, healthy, fun, happy, joyous & free life is available to them without the use of substances!

If you're interested in becoming part of one of the most rewarding service commitments EVER, our committee meeting happens in the staff lounge (aka Underground) of Santa Rosa City Hall on the second Wednesday of every month at 7:30PM. If you're interested in speaking for presentations, please come promptly at 7:00PM for speaker training!

In service, Jacob L.--Recording Secretary

# Letter to the Fellowship from A.A.W.S.

February 4, 2021

Dear Conference members, Intergroups and Central Offices,

The Board of Directors of A.A. World Services wishes each and every member of our Fellowship and their loved ones the happiest New Year. As we reflect back on the extraordinary events that we all have been experiencing it is with hearts full of gratitude that we say thank you to each and every group and member for all of the spectacular work of carrying the message to the still-suffering alcoholic that has taken place in these difficult times.

For many, this meant pivoting our groups to be online. For some, greeters became temperature screeners, enthusiastically encouraging mask use. In many of our meetings the coffee maker position went away and the online meeting host position appeared. As our many local A.A. offices met unsure financial outlooks, groups across the U.S. and Canada figured out how to make their Seventh Tradition support digital and supported one another as a whole. Service workers across the Fellowship worked from home, often tired and understaffed. As the pandemic pushed surges in binge drinking to new heights, our groups met the challenge head on and introduced a new generation of alcoholics to our program who have been sober for months now and have never even experienced an in-person meeting. The best is surely yet to come.

In the early months of 2020, many would not have imagined we could carry our message as fully, as far and as freely as we have online in the last 9-10 months. Some would have actively argued it could not be done. As a society, A.A. has never faced these challenges before. With no historical reference point for us to look to, after 85 years we faced a new pioneering period.

A.A. members everywhere responded, adapted, and met calamity with serenity. We are a resilient lot. We have seen clearly that the message of A.A. and the lifesaving experience of our membership need not be limited by time, space, or custom. We are held up by 36 spiritual principles in our Steps, Traditions, and Concepts that we can absolutely rely on to guide us through any uncertainty or challenge ahead.

We understand more clearly today the importance of prudence and why we keep a reserve. We have new appreciation for group conscience and its ability to be found even over great distances. Our primary purpose served to keep us unified and as a buoy in uncertain times where being of service to others has helped us through the storm. The evidence of these events over the last year make clear that our legacies of Unity, Service, and Recovery remain strong. We as a board are rejuvenated with hope for a new year ahead and all the great opportunity that awaits as the world begins the slow process of recovery from the pandemic.

Covid-19 has brought very hard, and sometimes tragic events to many among us and around us. In taking stock, these circumstances have forced a crack in our rigidity and created light where before there was only a glimmer. If we leave room for that light to grow and adhere steadfastly to our principles, we can confidently face any uncertainty ahead.

As we continue meeting this challenge and those ahead, let us together continue to “grow in understanding and effectiveness,” constantly working toward ensuring that any person needing the message of Alcoholics Anonymous can find it, and that together we preserve that message for the generations of alcoholics still to come.

Yours in service,

Beau B., Chairperson, A.A.W.S. Board

# Bridging the Gap

## Statement of Purpose

Bridging the Gap is a General Service sub-committee that supports that very important first step for alcoholics who have just been released from a hospital, treatment center or correctional facility. By providing a temporary contact, Bridging the Gap helps newcomers make the transition to Alcoholics Anonymous in his or her home community.

Members of Alcoholics Anonymous, usually in pairs, meet the patients or inmates after release and accompany them to their first A.A. meeting. As in all 12-step work, this activity is strictly voluntary.

## Where Do You Meet?

- Bridging the Gap (online)
- 3rd Tuesday of the month
- Orientation at 6:00 pm, Meeting starts at 6:30 pm
- Meeting ID: 945 2118 6257
- Password: BTG (all caps)

## What Positions are Available?

We're always looking for volunteers to fill our phone list. When someone requests our service, we provide them with a volunteer to take them to their first A.A. meeting. We try to have a volunteer available who is someone around their age and gender, who lives in their neighborhood, who can take them to the volunteer's home group, introduce them to the fellowship and make them feel welcome and at home. It is usually a one-time commitment, and as in all 12-step work, should be done in pairs. To be a volunteer, it is suggested that you have at least 6 months sobriety and a working knowledge of the twelve steps.

There are also service positions available on the committee. These service positions include chair and alternate chair positions, recording secretary, phone coordinators, Intergroup liaison, H & I liaison and presentation teams.
